

SPHAERAE LIGHT
COLLECTION

DECHEM

from left:
powder pink, green, alabaster white, dark blue, crystal clear

SPHAERAE LIGHT
DETAILS

Both shapes constitute a homogenous piece of tinted glass until the moment the lamp is lit.

from left:
saffron orange, poppy red, powder pink

**SPHAERAE LIGHT
VERSIONS**

from left:
alabaster white regular and maxi size, nude neutral regular size

**SPHAERAE LIGHT
MATTE**

The surface contrasts with the clear, precise and illuminated emptiness that floats inside the glass blocks.

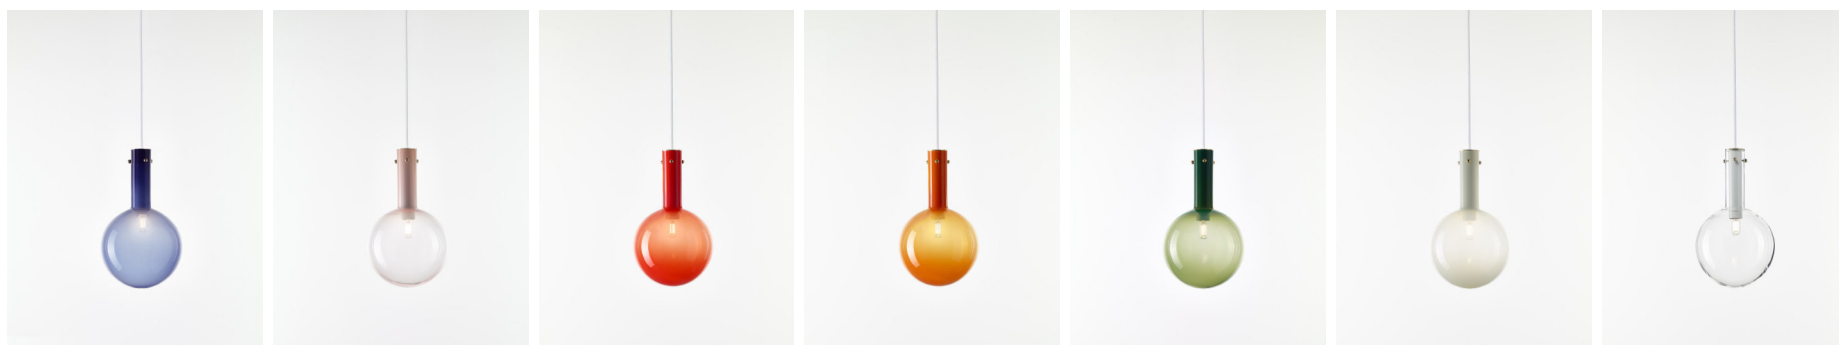

from left:
dark blue, powder pink, alabaster white
